Application Authorization

Lease Application Fee

Applicant has paid Landlord a nonrefundable Lease Application Fee of \$_____ to process this Rental Application, determine Tenant's credit worthiness to lease the Property and conduct a background investigation of Applicant.

Authorization to Do Credit and Background Check

Applicant hereby authorizes Landlord and Landlord's authorized agents to do whatever background and credit check on Applicant that Landlord or Landlord's agents deem appropriate. This may include obtaining one or more credit reports and background screenings on Applicant. Such credit and background screenings may be obtained before and during the term of the Lease and after the expiration or termination of the Lease as part of any effort to collect rent, costs, fees and charges owing under such Lease. Applicant acknowledges that merely requesting such reports may lower Applicant's credit score and Applicant expressly consents to the same.

Reservation Deposit

A reservation deposit (amount to be determined Myers Team Management) in the form of certified funds is being made along with this rental application. If Applicant's application is approved and a lease is entered into between Landlord and Applicant the deposit shall be applied towards Applicant's security deposit referenced in said lease. If Applicant's application is denied, the rental deposit shall be refunded to Applicant without interest. If the Applicant's application is approved, and Applicant fails to execute Landlord's standard lease agreement for the Premises prior to the Commencement Date (or to pay the required rent thereunder such that the lease does not Commence), then Landlord may retain the rental deposit as liquidated damages, it being acknowledged and agreed that the same is a reasonable pre-estimate of Landlord's damages for not seeking to rent the Property to others during this time period and not a penalty.

Use of Information

The information in this application or obtained as a result of the authorization given herein by Applicant will not be sold or distributed to others. However, Landlord and Landlord's agents may use such information to decide whether to lease the Property to Applicant and for all other purposes relative to any future lease agreement between the parties including the enforcement thereof.

Application Does Not Create a Lease

This application, even if accepted, shall under no circumstances be considered a lease agreement between Applicant and Landlord or an offer to lease. No lease shall exist between Applicant and Landlord unless and until the parties enter into a formal Lease Agreement and Applicant pays all required fees, deposits and advance rent.
